

DATASHEET

SKU: 02518B

Benelec VHF Window Patch Antenna 145-155MHz

The 02518B is an antenna suited to covert mobile applications across the frequency range 155 -180 MHz.

APPLICATIONS

Disguised Decal Antenna System for internal windscreen mounting

TUNING

Factory tuned; no further tuning required.

FEATURES

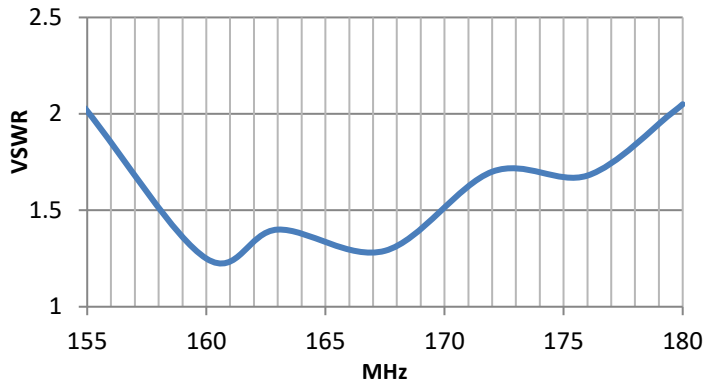

- Wide bandwidth.
- Covert installation

SPECIFICATIONS

Frequency range:	155-180MHz.
VSWR:	2.0:1 155-180MHz.
Impedance:	50 Ohms nominal
Power Rating:	35 Watts Peak power
Polarisation:	Vertical
Radiation:	Omnidirectional
Cable:	RG58 4.8m (soldered directly onto Antenna)
Termination:	to be fitted
Mounting:	stick on glass
Base Materials:	Mylar planar carrier layer with serpentine radiator.
Antenna Length:	92mm
Antenna width:	86mm
Antenna weight:	5g

VSWR

PACKAGING

Poly bag: 1 antenna & coax per bag,
Gross Weight: 250g

WARRANTY

3 years (Please refer to [Benelec Terms & Conditions](#))
