

## DATASHEET

SKU: 04115

## UHF Socket to UHF Socket Adaptor

### APPLICATION

- Joining two cables (UHFp) together
- Adapting from UHFp cable to UHFp equipment

### SPECIFICATIONS

Frequency Range	520 MHz (Maximum)
Impedance	50 $\Omega$
Dielectric Withstanding Voltage	1500V(RMS)
Temperature Range	- 40°C to +85°C
Insulation Resistance	$\geq 5000M\Omega$
Mating	5/8-24UNEF-2A
Durability	$\geq 500$ cycle

### MOUNTING

- Centre pin Gold Plated
- SO-239 – SO-239
- The shield screw thread connection conforms to the proper UHF PL-259 standard imperial thread.

### MATERIAL AND PLATING

Description	Material	Surface Plating
Shell/Body	Brass	Nickel
Dielectric	Bakelite	N/A

### WARRANTY

**12 months** (Please refer to [Benelec Terms & Conditions](#))
