

Part No **04245**

N socket - N plug Right-Angle Adapter

Application

- fitting rigid coax to Ns equipment with lack of space for direct entry
- connector saver
- jack-plug

Mounting

- Centre pin Gold Plated
- Standard 5/8-24 UNEF-2A thread

Materials

- Brass (Nickel plated)
- Teflon

Specifications

Frequency Range :	4 GHz (Maximum)	Insulation Resistance:	≥ 5000MΩ
Impedance:	50 Ω	Mating:	5/8-24UNEF-2A
Dielectric Withstanding Voltage:	1500V (RMS)	Durability:	≥ 500 cycle

Warranty

12 months (Please refer to [Benelec Terms & Conditions](#))
