## ADDITIONAL FEATURES

## CONTROLS

### Advanced Open-Ear Design

Unlike traditional headsets that cover your ears and cut you off from your surroundings, OpenComm2's open-ear design keeps you connected to the world without compromising on comfort or audio quality.

### Lightweight and Effortless Comfort

Remarkably light and portable, weighing only 35g. With a flexible wraparound frame and soft silicone finish, the OpenComm2 delivers easy, effortless, all-day wear.

### Crystal-Clear Calls

Bring conversation to life and take calls with crystal-clear audio, thanks to a noise-canceling microphone with DSP technology that brings your voice to center stage. cVc technology identifies and balances vocals by filtering out ambient noise for end-to-end high fidelity. For even more precision, the slim and easily adjustable boom mic can be positioned for optimal voice capture and rotated away when not in use.

### Outstanding Audio Quality

Never miss a word during important calls with 7th generation bone conduction technology and PremiumPitch™ 2.0. The headset accurately picks up and equalizes medium and high-frequency vocals, ensuring you hear every word distinctly and without distortion.

### User-Friendly Integrated Controls

Integrated headset operations reduce PC or mobile device controls to simplify functionality. Simply press a button to adjust the volume, mute and unmute during calls, play or pause audio, check the battery level, and more.

### Charge-up Fast with Power to Last

High-sensitivity technology delivers long-lasting battery power. Master uninterrupted communication so you can be online anytime, anywhere. 5-minute charge for 2 hours of talk time 60-minute for full charge.

### Be Alert, Stay Aware

Stay safe and engaged whether you're working outdoors, in the office, or on the go. The OpenComm2 delivers crystal-clear calls, unrestricted mobility, and total vigilance, so you experience situational awareness and a stable connection no matter where your work takes you.

### Efficient Operations

Our signature open-ear Optimize productivity and safety with an open-ear design for real-time awareness in warehouse and logistics operations. helps you stay safe and aware of potential hazards when you're on the road.

### Roam Free, Always Connected

Stay effortlessly connected with the Shokz OpenComm2, thanks to reliable Bluetooth connectivity. With an impressive wireless range of up to 30m/98ft, you can move freely without the need to remove your headset. Enjoy the freedom to sync with your colleagues, run errands, or walk the dog all while maintaining a secure and uninterrupted connection.

### Moisture-Resistant Durability

Worry less about splashes and light spills with IP55 water-resistant durability and the microphone's water-resistant acoustic mesh.
